Date : 4th September 2022

ABOUT PARF

Poonam Academic Research Foundation was established in 2016 with the aim to achieve and sustain excellence in the field of research in rural area in higher education at both undergraduate level and postgraduate levels. We at PARF provide full support to all rural students, post graduate and Ph.d Scholars in their respective fields in regard to research. We have a team of experts who are well experienced in the field of research. These experts go in colleges to conduct workshops for the beginners and teach students , how to conduct research. We support all research scholars who are interested to have exposure in the field of data analysis. We welcome all PG students who wish to make their career in research field.

MGNCRE

Mahatma Gandhi National Council of Rural Education under the Ministry of Human Resource Development, in Government of India strives to promote resilient rural India through Higher Education interventions. MGNCRE designs, develops and promotes curriculum inputs for higher education programmes offered by Universities and Autonomous Institutions in India. The higher educational streams of focus for MGNCRE include: Rural Studies, Rural Development, Rural Management, Social Work and Education. The curriculum inputs are both theoretical and practical field-related relevant to rural India.

MGNCRE

VISION

To involve higher education curriculum in India in the process of building resilient rural India i.e., Uthkrishit Gram for Unaat Bharat.

MISSION

Formulate and recognize curricular inputs and accredit courses and higher educational institutions, which enable development of sustainable, climate and disaster resilient rural livelihoods.

INTRODUCTION TO THE CONFERENCE

The ‘*National Conference*’ spanning over one day is meticulously designed to bring together renowned academicians, honored researchers from distinguished institutions, Industry leaders and practitioners as well as doctoral students. With the greatest minds across the globe, a simulation will be developed on ‘*Sustainable Development in rural area*’ to deliberate its influence on society, country and the world as a whole.

The conference will provide a unique platform to the participants to evolve their ideas and cogitation as they listen to a well-crafted panel discussion along with thought-provoking speaker sessions.

OBJECTIVES

- Bring together professionals in the field of Multidisciplinary from around the globe with the purpose of encouraging innovative ideas and sharing diversified knowledge and international experiences.
- Provide indispensable exposure to the audience promoting the highest utilisation of research knowledge.
- Provide a key platform for Renowned Academicians, Research Scholars and Industry Experts to disseminate knowledge and present ongoing research through scholarly publications.
- Facilitate career development of all participants and provide opportunities to network and build connections with professionals with shared interests.
